Regional Officer for South America  
Department of State

Dear Mr. Jorgenson:

I wish to thank you for your letters of July 8 and July 31, 1981 in which you informed me of the continuing efforts on behalf of those who have "disappeared" in Argentina.

I was particularly gratified to learn that Norberto Liwski has been granted supervised liberty.

I am convinced that your efforts and those of the Department of State are of critical importance to these unfortunate people and the thousands like them. I wish you continued strength in your humanitarian endeavors.

Sincerely,

Robert A. Alper
